Dear

First, if you have participated in the Mammoth Parade in the past we would like to THANK YOU for your involvement. Many of you have participated for many years in a row and your support is greatly appreciated. With your help we have created an event that demonstrates the Patriotism and excitement that our small towns exhibit.

This year, we hope to make it even more enjoyable for the citizens who will come to watch. To that end we are sending you this application early so that we can try and meet the needs of the participants.
